

BC2

Territorial Innovation
Practice

We activate
vitality in territories
and communities.

Five impact milieus

**Collective and
Cultural Spaces**

Shared spaces that strengthen identity
and bring communities together.

Active Living

Environments that support the health
and well-being of communities

Housing

Complete, inclusive neighbourhoods
connected to essential services.

**Economic
Vitality**

Areas transformed into lasting drivers
of economic growth.

**Environmental
Resilience**

Projects that build a place's capacity
to adapt and regenerate.
